

ECO-CLEAR

Pond Filtration Systems

Pond Filtration has never been easier!

We've combined Eco-Clear Pressurized UV Filters and Eco-Clear Submersible Pond Pumps to give you the best in simple, affordable, effective pond filtration!

- Choose from four systems to filter ponds up to 3900 gallons.
- Dual filtration – filter pads collect solid debris while bio-media provides excellent biological filtration.
- Built-in UV for crystal clear water
- Each complete system includes kink-free tubing and clamps

* Fish load, feeding rates, amount of sunlight and other factors affect actual maximum gallons filtered.
 ** Performance data provided for reference only and may vary slightly.

Eco-Clear Mag Drive Pump Features

- Permanent magnet motor for maximum power, high efficiency and continuous duty
- Epoxy sealed motor - no oil to leak out! Safe for fish.
- Ceramic impeller provides high wear resistance and long life — designed for passing debris up to 3/8" diameter
- Adjustable direction outlet includes 1", 1 1/4" or 1 1/2" step barb fitting

Eco-Clear Pressurized UV Filter Features

- 1 Built-in UV clarifier for crystal clear water
- 2 Cleaning indicator shows when filter needs to be cleaned*
- 3 Backwash valve to extend time between full cleanouts*
- 4 Backwash port*
- 5 Multi-step connectors – inlet/outlet fittings accept a variety of tubing sizes
- 6 Sturdy filter housings – bury up to cleaning ring for easy concealment
- 7 Dual filtration – filter pads collect solid debris while bio-media provides biological filtration. Filters are easy to disassemble and clean, making maintenance a snap!

* Cleaning indicator and backwash valve/port are not included in ECK13 and ECK13U systems.

Dirty pond water enters the pressurized filter.

Water is pushed through multiple densities of foam filters and cleaned of solid debris.

Water is pushed through bio-media that provides excellent biological filtration.

Select units have high-intensity UV lights that destroy algae cells, eliminating green water.

Cleaned water is returned to your pond.
